AVENTURA

TECH SOLUTIONS

SERVICES & PRODUCTS

AVENTURA Tech Solutions is a DIFC-licensed technology company based in Dubai. We build, consult, and solve across AI, robotics, blockchain, and emerging technology. We take complex technology and turn it into something a business can use.

01 AI Automation

Voice AI

- Receptionist
- Lead Qualification
- Lead Generation
- Customer Re-engagement
- Personas
- Voice AI Agents, Built Around You
- Talk to Your Systems

Messaging & CRM

- AI WhatsApp Messaging
- Intelligent CRM Integration

AI Consulting

- AI Marketing Consulting

We advise you on how to bring your systems together and automate the way your business runs.

AI Enterprise Software

One command centre for every aspect of your business, fully AI integrated. Ask it anything, any time, it answers, and it acts.

- Bookings & Scheduling
- Payments & VAT
- Staff Rotas & Payroll
- Stock Control
- Loyalty & Memberships
- Multi-Branch
- Multilingual
- Accounting with an accountant pack
- Marketing & campaigns
- HR & attendance

Voice AI is built in: an in-app assistant, receptionist, lead qualifier, lead generator and customer re-engagement.

AI Content Engines

Custom-built AI content engines for your brand. Built around your platform, your format, your visual identity, and your content strategy.

02 Robotics

Humanoid and quadruped robots with conversational AI built in, available for sale and for rental.

03 Blockchain & Web3

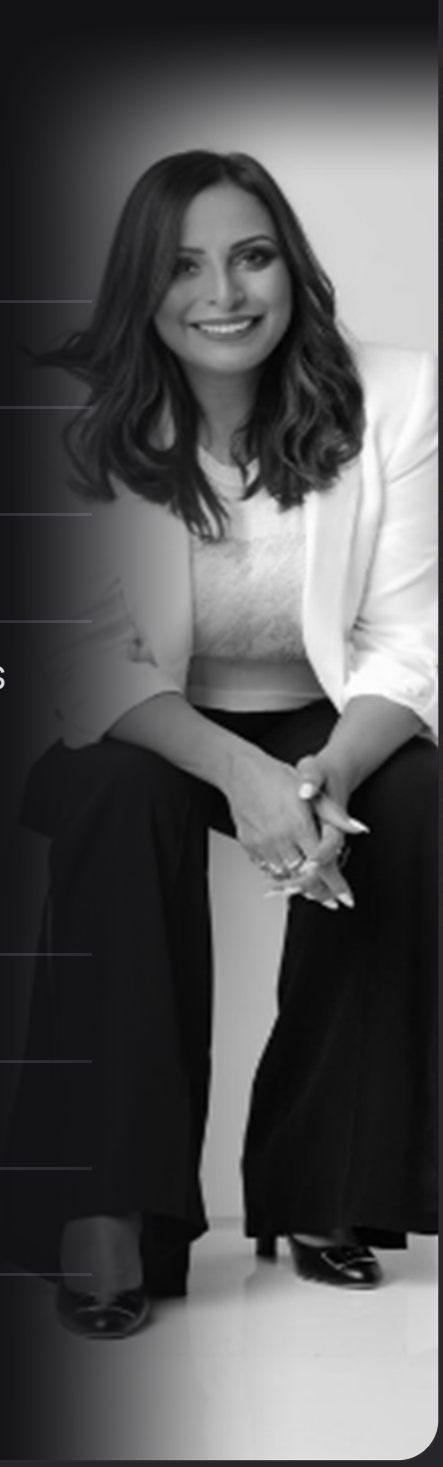

- Protocol Building
- Architecture & Design
- Smart Contract Development
- Deployment & Support

04 Software Built for You

Bring us your process and we build the system around it.

05 Strategic & Personal Advisory

Led by Sultaneh Naim.

FOR ORGANISATIONS
